

Fixing Instructions for 130 Fanlight Stay

For use on a top hung window

- **Position Fanlight Stay on bottom of window frame, left of centre**
- **Position first peg on internal window sill, so that when the window is in a closed position the first hole in the bar will align with the peg.**
- **Position second peg approximately 110mm to the right of the first. Ensure the peg lines up with the hole in the bar. This peg is used to secure window in an open position.**
